

469-000-205 Calculation of Resources Reserved for the Community Spouse: The assessment of resources is based on the value of resources owned during the month the alternate care spouse enters the specified living arrangement (see 469-000-316).

\$ 19,908 is the minimum amount.

\$ 99,540 is the maximum amount.

\$199,080 is twice the maximum amount.

The community spouse is entitled to reserve the greater of -

1. One-half of the combined equity value of all countable resources not to exceed \$99,540 (the maximum amount); or
2. \$19,908 in equity value of countable resources (the minimum amount).
